## POLES FIGHTING BOCHES UNDER NATIONAL FLAG

"It Is Reply to Germany's Contention That Polish Question Is Settled."

(Associated Press.) Paris, Tuesday, June 18.—Fighting under the national flag of Poland, the first Polish regiment of the first Polish division entered the front line trenches opposite the Germans today. Within the sound of the roar of cannon and in the presence of civil and military authorities the regiment received its battle flag and entered the war on the side of the allies.

"It is a reply to Germany's contention that the Polish question is settled," said Gen. Archinard, chief of the Polish military mission to France. Poles who have escaped from Germany and Poland, or who have succeeded in leaving America and other countries, form the bulk of the Polish legion which may shed its blood tomorrow against German autocracy in the defense of liberty and the autonomy of Poland. Among those present at the simple military ceremony were M. Smowski, representative of Poland accredited to the allied governments, Maj. Coudigier, representing the United States; Gen. Merrone, Italy; Gen. Gouraud, France; Capt. Gelligood, Great Britain, and Gen. Archinard, who will command the Polish forces.

Amid an impressive silence the chaplain of the regiment, facing the troops and raising both hands above his head, gave them this oath: "I swear before God, before the holy trinity, that in allegiance to my country, I am ready to give up my life to the last drop of blood in the service of the holy cause of Poland, to obey my chiefs, and to remain true to Poland, one and indivisible."

The Polish soldiers and officers cheered as they repeated the oath. Gen. Gouraud then confided the Polish flag to the safe keeping of the legion as a Polish military band played the Polish national anthem.

KNOX COUNTY WILL REDUCE ITS TAX RATE (Special to The News.) Knoxville, June 18.—The tax rate of Knox county probably will be reduced 3 cents by the July county court. A recommendation that it be made \$1.87 instead of \$1.90, as at present, is advocated by the finance committee. Teachers' salaries will likely be raised 20 per cent.
